Subject: CCR Impoundments in Ohio
Attachments: RE: CCR Rule Part A Extension Facilities; FW: CCR Rule Questions on Behalf of US EPA

Attached is the input I have been able to get from our field staff based upon the Ohio CCR Impoundments list you shared with us. The one office has not yet heard back from Dynergy, but if do can forward information. As we discussed last week this should give you some information. Have any questions, let me know.
